on Advances in Assistive  
Medical Technologies**

Thank you very much for attending the Global Business Summit on Advances in Assistive Medical Technologies at Lancaster House.

The Prime Minister, my other Ministerial colleagues and I are very glad you were able to join the unprecedented British Business Embassy and make it such a stimulating and enjoyable event. More than 4000 delegates from over 60 countries participated in the biggest Olympic and Paralympic business summit in history.

I hope you were able to take full advantage of the opportunities to network with businesses from the UK and around the world.

Please get in touch with me or my officials in UK Trade & Investment if you would like to discuss ideas you have to develop a lasting legacy to what was the biggest business summit any British government has ever hosted or to the 2012 London Olympic and Paralympic Games.

Kind regards,

**Lord Green of Hurstpierpoint**  
Minister of State for Trade and Investment
